

World Fun Fair Month

Did you know September is World Fun Fair Month ??

Do you love to visit a Fairground ?

World Fun Fair Month is an awareness month created specifically about fairgrounds and SHOWMEN. It was registered officially in 2021, by Future 4 Fairgrounds. It is a way all fairgrounds can be recognised all over the world and celebrated. It's the perfect opportunity to start a conversation about this amazing industry and our unique community.
